EDUCATION

MEDIA

COLLEAGUE

Software Developer
Sep 2023 - July 2027

PROFILE

Spanish-born in Valencia, I moved to the Netherlands at 12 to live with my father and gain new experiences. I'm open-minded, eager to learn, and motivated by positive, collaborative environments. I chose to study video game programming out of a lifelong passion for gaming, and along the way I've developed a broad set of skills beyond games.

EXPERIENCE

MYTRENCHER

Front-end developer (React JS)
From Feb 2026 - July 2026 (Internship)

ELMOMENTO

Kitchen assistant at my dad company.
Worked in front of people and cooking.
From Sep 2020 till now. (Still helping when i can)

ALBERT HEIJN

Cashier and stocker at a supermarket.
Worked directly with the public and organized.
From nov 2020 till sep 2022.
